

## Shibuya Olympiad in Liberal Arts 2023

### 1. Purpose

Shibuya Olympiad in Liberal Arts 2023 (SOLA 2023) is a learning-based international event organized by and for junior and senior high school students. By learning from each other, sharing ideas and experiences, and thereby raising awareness on social issues, this event aims to foster the next generation of global citizens who will take on the responsibility of achieving the Sustainable Development Goals (SDGs) on a worldwide basis. It is designed to create an environment for junior and senior high school students with similar goals to build life-long relationships and continue working together in the future. All programs will be organized by and for junior and senior high school students, and by doing so, aim to communicate strong messages to the world.
