

Dear Sir / Madam

July 8, 2026

It is our great pleasure to invite your students to Shibuya Olympiad in Liberal Arts 2026 (SOLA2026) scheduled for **August 21, Friday, 2026**.

SOLA 2026 is a student-organized initiative led by middle and high school students, consisting of events, such as competitions, conferences and projects. By fostering awareness of social issues and building a community of like-minded peers, SOLA seeks to empower the next generation of global citizens equipped with the skills and mindset to build a more inclusive and interconnected world.

SOLA, which was first held in 2021, has been passed down from each class to the next with the love and the passion of our students. As has been the case in the past few years, this year's event will be held in both online and in-person sessions.

Depending on the event, your students can participate as a team or on an individual basis. The details of each event can be found in the attached Guidelines. You can also find more information at our website:

We would appreciate it very much if you would kindly encourage your students to participate in this innovative learning-based exchange activity.

If you have any questions, please contact Mrs.Yoko Natsume, Global Alliances Coordinator at: natsume@shibushibu.jp.

We look forward to welcoming your students to SOLA 2026.
